Re - Phillips Farm

I interviewed Dr. Anthony Gouessner in his office, 2nd floor of residence, 153 Somerset St., corner Hardenbergh St., relative to key found at Phillips Farm on or about Sept. 18th, 1922, by Peter Remsing, former chauffuer, of 57 John St. and said to have been given to Doctor on day of finding by Remsing.

Dr. Gouessner says he has entirely forgotten the circumstance and instance. Has no recollection of what disposition, if any, he made of key.

Suggest I call and see his brother at his drug store, who may have been present at the time mentioned and who might have remembrance of the incident. Said he would take the first opportunity and also speak with his brother and if he can learn any information, he will at once communicate with Mr. R. E. Watson, with whom he said he has personal acquaintance.

I called at drug store of Gouessner & Tobin, 4 French St., and was informed Mr. Alexander Gouessner is in New York City today, but may be at his home in New Brunswick after 7 P.M., Phone N.B. 3075.

Will see Alexander Gouessner and render report at later date.

Respectfully submitted,

Thomas L. Harrison
